Hello—

Do you have a sense yet of which facilities or what sort of work R1 is interested in?

Thanks

Kelly

Hi Kelly –

I think the contract staff is processing faster after sequestration...

Pilgrim Nuclear is the only other facility Region 1 has identified.

FYI – I'm out of the office April 12-16.

Hello—

That was fast! We got it in today.

As a start, do you know what charge codes you would like us to set up? I assume you'll want them split out by facility again. Here's what we had last time:

<b>Charge Code</b>	<b>Task</b>
29899-28.00	Management
29899-28.Q0	QAPP
29899-28.01	Permits
29899-28.02	Merrimack
29899-28.03	Manchester Street
29899-28.04	Huntley
29899-28.05	GEAE
29899-28.06	Schiller
29899-28.07	Mt Tom

It's pretty easy to add new ones, but I just wanted to take a good first swing at the list at the outset.

Thanks!

Kelly
